Subject: Medical Assistance Town Hall Feedback

Good Afternoon,

In an effort to gain public input from consumers, community partners and providers, the Department of Health Services (DHS) hosted several Town Hall meetings throughout the state. The Town Hall meetings were designed to collect ideas on efficiencies and cost-savings while improving overall consumer care, streamlining program delivery and stabilizing the program to ensure long-term sustainability.

Through the town hall meetings and an online survey, DHS collected many suggestions related to the state's Medical Assistance programs. The suggestions can be found on the DHS website at <http://www.dhs.wisconsin.gov/aboutdhs/budget/index.htm>.

DHS is still accepting public input online at <http://bit.ly/dInAXp> and will be updating the suggestions reports regularly.

Thank you for your time. As always, should you have any questions, please feel free to contact me.

Sincerely,

Kitty Rhoades
